## FOREWORD

The **General/Flag Officer Worldwide Roster** is produced quarterly by Washington Headquarters Services from the General/Flag Officer Billet Information System (FOBIS), as authorized by DoD Instruction 7730.61, *Reports on General and Flag Officer Positions*, dated August 7, 1990.

FOBIS incumbent and position updates are provided monthly by the appropriate personnel offices of the Military Services and reflect all modifications and changes to be effective as of the 10th of the month. These updates form the basis for production of the **Roster**, showing current incumbents assigned to joint staff and command billets, and all Army, Navy, Marine Corps, and Air Force positions. An alphabetical index is also included to assist the reader in easily locating personnel by duty assignment(s). Any errors should be brought to the attention of the particular Military Service involved with the incumbent. Other comments on this publication should be addressed to the office shown on the title page.

Each Military Service makes internal distribution and provides their respective active duty General/Flag Officers (GFOs) with a copy of this publication. All other agencies or individuals desiring a copy should contact the Government Printing Office listed on the preceding title page.

Beginning with the June 1996 edition of the **Roster**, Reserve component (RC) GFOs will be included in the June and December editions of the publication. This expansion of the **Roster** reflects the significant increase of RC participation in joint operations and exercises with their Active component counterparts. RC abbreviations used throughout the publication are:

ANG	Air National Guard
ARNG	Army National Guard
USAFR	United States Air Force Reserve
USAR	United States Army Reserve
USMCR	United States Marine Corps Reserve
USNR	United States Naval Reserve

Shown below are the telephone numbers for each of the contact points in the Services who are responsible for internal Service distribution and updates to the Active component officers listed or to be listed. The point of contact for RC information is also shown.
